FIGURE 10B

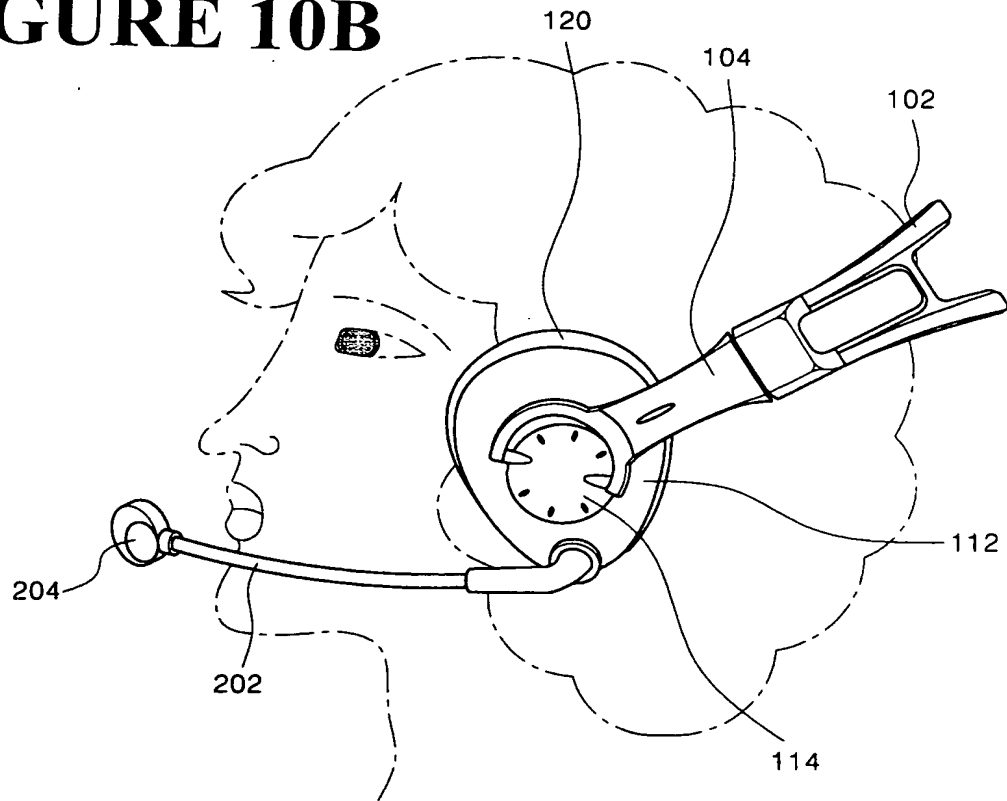

FIGURE 10B is a side profile view of a person wearing a headset. The headset includes a microphone (120) and a camera (104). The microphone is connected to a cable (202) that ends in a connector (204). The camera is mounted on a bracket (102) that is attached to the headset. The headset also includes a headband (112) and a cushion (114). The person's face is shown in profile, with the headset positioned over the ear and around the mouth.
